

**Get the help you need  
Three types of reporting  
sexual assault are now available**

**It's vital to know the differences**  
*If you contact your command or law enforcement it is  
Automatically an unrestricted report.*

## **Restricted**

Contact SARC

***Command not notified***

SARC Victim Advocate attends to victim  
needs provides supportive services

Get medical care

Get counseling

Can make unrestricted reporting decision at a  
later date

## **Unrestricted**

Contact SARC

***Command notified***

SARC Victim Advocate attends to victim  
needs provides supportive services

Investigation initiated

Get medical care

Get counseling

## **Independent**

If you tell anyone who subsequently notifies command or if someone observes the  
assault and notifies command an investigation is launched. You may lose your  
restricted reporting.
